To Whom It May Concern:

Re: Reference for Ms Yolanda Martín Mendieta

Yolanda has been working on a freelance basis as a NAATI-accredited professional translator in English and Spanish for Red Bee Media Australia (RBMA) since October 2007 and RBMA currently uses her services.

She has provided translation and checking services in a wide range of subject fields and for a variety of target audiences requiring different styles and registers.

Ms Martín Mendieta has always been reliable, very diligent and has always delivered quality translations within the deadlines. Her translation work has been reviewed by her peers who have always praised her work. We have given her a variety of translation assignments so far including:

- Film subtitles and Voice-Over scripts
- Health and safety
- Sales and marketing documents
- Web site content

I appreciate Yolanda as a competent and quality-focused translator who performs at the highest professional standard. She also has strong work ethics, communicates effectively and follows all instructions given.

Yolanda is proactive and always delivers on time. She is an invaluable asset to our translation team of contractors and I highly recommend her.

I can be contacted by email to stephanie.Bauche@redbeemedia.com.au if you need further information.

Yours sincerely,
