To whom it may concern

Yolanda Martin Mendieta has been working for the Translation Service of the Department of Internal Affairs as a freelance translator of Spanish since April 2008.

She has carried out a large number translation, editing and proofreading assignments over this time and we have found the quality of her work to be of a very high standard.

Meeting our clients' deadlines, maintaining confidentiality and ensuring our translations are completed to a professional standard are critical factors for the Translation Service. In all our dealings with her, Yolanda has proven herself to be reliable, efficient and very professional. We know that we can rely on her to deliver a high quality translation on or before a given deadline.

Should you require any further information, please do not hesitate to contact me.

Yours faithfully,

Quintin Ridgeway
